Additional Info

Communicating with Campers

Campers can contact their parents anytime during their free time either by phone or email using their own phone or the camp's phone/computer.

Parents contacting their children:

For non-emergencies, please send a letter to your child/children by email to info@epiccamps.com our staff will pass the message along.

This method helps us keep the camp line available for emergency situations, it also helps your children integrate better and faster at camp. You may also request a phone call from your child by email.

For emergencies, please call or email us. The camp line is open 24/7, however avoid non-emergency calls after 10 pm and before 8 am as our staff also need a good rest.

Laundry

Camp fees include one load of laundry (washer, dryer and detergent) for the 2-week session. Laundry day is on Sundays. Make sure your child has enough clean clothing for the first week. Counselors may help campers to do their laundry for an additional cost of \$8 to \$12 per load.

About Us

Adventure Overload!

EPIC CAMPS is owned and operated by Roberto. Along with his team, he lead our groups on spectacular adventures hiking, kayaking, camping, biking, star-gazing, paddle-boarding, mountain biking, ziplining and white water rafting.

Roberto Gibbons Gomez was born and raised in Montreal, Canada, to a Mexican mother and Canadian father. He is a backcountry explorer, kitesurfer, professional expeditioner, entrepreneur, photographer, videographer, influencer and bon vivant. With over 35 countries traversed – Roberto’s joie de vivre permeates through all that he creates.

A graduate of Concordia University in Sociology and Anthropology, Roberto’s thirst for adventure came from attending kids camps in Eastern Canada. Always smiling, you can find him kiting in the Turks & Caicos Islands, searching for Northern Lights in Yellowknife, float plane biking in the Chilcotins, kayaking in Iceland’s glacial lagoons, biking in Whistler, or camping in some of the most spectacular places in the world while shooting for renowned brands.

Roberto speaks three languages— English, French and Spanish—and was one of the first to take advantage of Facebook to inspire others to venture beyond their comfort zone, while also creating spectacular content for some of the most recognized brands in the world. As a father of four—Mikio, Catalina, Ariella and Athena—Roberto is no stranger to entertaining kids. Indeed, he often includes them in his shoots for brands like Thule, Nemo Equipment, Tourism Whistler, Whistler Blackcomb, Jeep, Airstream, Trek, Quietkat, Pelican and many more.

Follow his adventures on Instagram ([@theexpeditioners](#)) and see all the amazing places he and his family travel to. With over 200,000 fans on Facebook under his Expeditioners brand, Roberto and his family have been a trusted source for the past ten years on destinations to travel to, gear to explore, and adventures to experience. He hosted a travel series on Discovery Channel in Canada with over 90 million impressions, and was selected to be on TV for Tourism Canada’s 150th anniversary. You can follow along on his day to day via [@expedsroberto](#).
